

**TOWN OF WOLFEBORO
CONSERVATION COMMISSION
DREDGE & FILL MEETING
APPROVED MINUTES
August 25, 2023**

Chair Lenore Clark opened the meeting at 9:30 am at the Wolfeboro Town Hall Annex conference room.

Members Present: Lenore Clark, Chair, Jeff Marchand, Brian Gifford, Members.

**Janet C. Rae
7 Earl Shore Road/Lake Winnepesaukee
Tax Map #200-21
Standard Dredge & Fill**

The applicant proposes to address drainage gully erosion on a steep bank of Lake Winnepesaukee.

The Wolfeboro Conservation Commission noted no objection to the Janet C. Rae Standard Dredge & Fill application, Tax Map #200-21, as proposed. The Commission is glad the applicant is addressing the erosion; noting it could be more beneficial in the long run to address the source of the runoff higher up on the property along Earl Shore Road (i.e. parallel to the shoreline) with some sort of installation/BMP to slow the water down. This would allow some of it to percolate into the ground before it crosses under the road and runs downhill and could address the issue in a more permanent fashion.

There being no further business before the Commission, the meeting was adjourned at 9:50 am.

Respectfully Submitted,
Lee Ann Hendrickson
