

**TOWN OF WOLFEBORO
CONSERVATION COMMISSION
DREDGE & FILL MEETING
April 27, 2016**

Members Present: Lenore Clark, Vice-Chairman, Dave Senecal, Selectmen's Representative, Ed Roundy, Art Slocum, Gail Antonucci, Members.

Staff Present: Lee Ann Keathley, Secretary.

**Arthur Wood
72 Oakwood Road
Lake Winnepesaukee
Minimum Impact Expedited
Tax Map #259-34**

The applicant proposes to repair/replace existing mortared block shoreline wall with a dry-set rock wall with no change in size, location or configuration, repair/replace existing U-shaped permanent docking structure and permanent canopy "in-kind" and replenish existing sloped beach with 3 cubic yards of sand.

The Wolfeboro Conservation Commission noted no objection to the Arthur Wood Minimum Impact Expedited application, Tax Map #259-34.

**Town of Wolfeboro
Port Wedeln Road & Winterhaven Road
Minimum Impact Expedited
Tax Map #'s 186, 187, 200, 201 (Town's Right-of-Way)**

The applicant proposes approximately 3,800 LF of roadway reconstruction and associated drainage improvements including stormwater treatment.

The Wolfeboro Conservation Commission noted no objection to the Town of Wolfeboro Minimum Impact Expedited application, Tax Map #'s 186, 187, 200, 201 (Town's Right-of-Way). The Commission recognizes that the existing drainage and runoff associated with such is an issue however, the Commission expressed concern for continued runoff into the lake.

Respectfully Submitted,
Lee Ann Keathley
