Preserving the Local Environment and Enhancing the Quality of Life

The approximately three miles of enhanced trail networks are suitable for cycling, walking and jogging. Signage connects the enhanced trail networks of Sewall Woods and Abenaki, downtown Wolfeboro, the Cotton Valley Trail as well as Carry and Brewster Beaches.

Providing Healthy Recreational Options

Wolfeboro's lakeshore and forests are a natural setting for a myriad of outdoor pursuits. Joggers, walkers and non-motorized bikers have the opportunity to enjoy upgraded trails within Sewall Woods and the Abenaki Ski Area.

Pathways of Wolfeboro was formed to support the Town of Wolfeboro's Master Plan objectives. Wolfeboro is a premier center for cycling, walking and jogging, providing healthy options for recreation while preserving the local environment and enhancing the quality of life. This offers additional recreational opportunities for our residents and visitors with less reliance on motorized vehicles.
