# **WOLFEBORO MASTER PLAN**

**AUGUST 27<sup>TH</sup> (TUESDAY), 7PM**

**GREAT HALL AT TOWN HALL**

The Town of Wolfeboro Planning Board and Master Plan Subcommittees invite you to attend the 2019 Master Plan Public Hearing. The Hearing will include a brief review of the Master Plan process, an introduction of the primary themes from each chapter, and an opportunity for public comment.

First started in early 2018, the Wolfeboro Master Plan recognizes that social, environmental, and economic forces continually influence our community, and that our individual and collective interests are best served through understanding, preparedness, participation and planning. The Master Plan is the foundation from which the town can guide development and growth to preserve and enhance the quality of life in Wolfeboro and your input is important.

**The DRAFT Master Plan is available for review at Town of Wolfeboro Planning Department Website and at the Planning Office at Town Hall. Please note that draft content will be updated regularly until the Public Hearing date.**
