

**TOWN OF WOLFEBORO  
CONSERVATION COMMISSION  
DREDGE & FILL MEETING  
September 14, 2016**

**Members Present:** Dan Coons, Chairman, Lenore Clark, Vice-Chairman, Ed Roundy, Richard O'Donnell, Art Slocum, Members.

**Donnda Cottage Trust  
4 Silver Street  
Crescent Lake  
Permit By Notification  
Tax Map #190-104**

The applicant proposes to repair/replace 87' of existing retaining wall located at the water's edge.

The Conservation Commission conducted a site walk of the property.

***Referencing the Donnda Cottage Trust Permit By Notification application, Tax Map 190-104, the Wolfeboro Conservation Commission noted the tree that is proposed to be removed has already been cut down. In addition, the Commission noted that another large pine tree has roots that appear to be intertwined with the wall, and it is possible that disturbing the roots will compromise the pine tree. The Commission questions the need to replace the retaining wall. The Commission also noted that the proposal does not mention how the project and the turbidity curtain will affect the Town owned docks that are immediately adjacent to the proposed project.***

Respectfully Submitted,  
*Lee Ann Keathley*
