ABENAKI SKI AREA

ABENAKI OPENS DECEMBER 26, 2016 (WEATHER DEPENDENT)

Abenaki Ski Area is a community owned and operated ski area in Wolfeboro, New Hampshire. We are open to the public and offer 5 trails from green to black diamond, glade skiing, night skiing, a terrain park, one of the fastest rope tows on the East Coast, friendly staff and a brand new lodge built in 2015! We have a full size groomer and a small but mighty snowmaking operation—not to mention some of the best conditions you will find in the Northeast. Due to the relatively small crowds (compared to the big boys like Loon, Gunstock and Bretton Woods), there are no lift lines, great conditions with virtually no ice and a friendly, small town vibe.

A Season Pass allows skiers/snowboarders to use Abenaki Ski Area for skiing and snowboarding any time the slope is open to the public. Purchase pass online www.wolfeboronh.us or at the Pop Whalen Ice Arena. You must present your season pass at every visit or you will be charged the daily rate.

YOUR PIECE OF OLD ABENAKI LODGE

Built in the 1940's, the original ski lodge was retired after the 2014-2015 season and this past April was demolished. There were a lot of great times and memories had in that lodge. We did want to just forget it. Wolfeboro Parks and Recreation removed salvageable wood from the lodge and had plaques created containing a picture of the old lodge, Abenaki logo and it says "My Piece of Abenaki History". We are selling these as a Fundraiser for \$20 each with only 100 pieces available. All proceeds go to Friends of Abenaki to help fund a timing/storage shed at Abenaki.

THE NICK

The Nicholas J. Pernokas Recreation Park, known as “The Nick” is home to one of the finest recreational facilities located in the New Hampshire’s Lakes Region. The Wolfeboro Area Recreation Association, owner of the park, is a private, nonprofit volunteer organization dedicated to providing athletic and recreational opportunities for the community. The construction of The Nick was a major cornerstone to actively upholding the beliefs, traditions, and quality of life in the Wolfeboro community.

The Nick provides space for local sports leagues including Cal Ripken Baseball, Abenaki Boys and Girls Lacrosse, Wolfeboro Parks & Rec. Soccer and Track, Brewster Softball, Kingswood Track and Field. The Nicholas J. Pernokas Recreation Park helps organized programs throughout the greater Wolfeboro area by providing more recreational space for a greater number of people.

With generous help from John and Jill Pernokas, who purchased and donated the 35 acre tract located on Route 28, The Nick became a reality. The community responded to a capital campaign that raised over \$2.5 million to fund design, engineering, and construction of the park.

Through continuing support of local businesses and individuals, The Nick is now ending its sixth season of full operation. The facilities are available to the public when not in scheduled use by organized leagues. Bring the whole family and enjoy the playground, play or watch a ball game, walk or run the track, and enjoy a snack at the Heart of the Park concession.

Please consider joining other community members in partnership with WARA to maintain the Park’s operation. Donations can be made by check to WARA, PO Box 838, Wolfeboro, NH 03894. WARA is a 501 (c)(3) non-profit organization.
