Notice of Revaluation Field Review

As part of the ongoing revaluation project. Starting the week of July 7, 2015 representatives from Granite Hill Municipal Services will be field reviewing each property in Wolfboro to ensure continuity throughout town.

This will entail a drive by site visit which will include taking an updated photograph of each property as seen from the driveway or road.

This phase of the project should take 3-4 weeks. Upon completion of this phase, preliminary value notices will be mailed to each taxpayer with instructions on how to schedule an appointment for an informal hearing if necessary.
