Trust issues. There is a Wolfeboro School Trust with a balance of \$20,800 in principal and \$15,111 in accumulated income. There is not documentation on this trust. Listed in the Bearing Point report as school aid. It is not listed as one of the Governor Wentworth Trust. Lisa will solicit proposals from the Wolfeboro schools for expenditures. There is also a trust for a prize for Latin, which is no longer taught in Wolfeboro schools. The income is \$900 and the total is \$2250. Lisa will call the HS principal to talk about the prize and how to distribute it.

Bob charged the school district \$540 for legal fees associated with the Wood Trust. The school district turned it over to their attorney and the attorney went to the Charitable Trust Unit. Mark Puffer called and said the Wood Estate cannot be charged the legal fees.
