The bid opening for the Center Street Reconstruction happened the week before last week. The low bid was in the amount of \$1,977,137.00 which is the base bid. GW Brooks from Freedom, NH was the low bidder. They are the same company that did the Middleton Road project a few years ago. The bid is being reviewed by the NH DOT since they have to sign off on it because they are paying for 2/3 of the cost so we are waiting for them at this point. It looks like we have enough money to cover the contract and the other costs that go with the project this time around.

There have been some personnel changes. One of the apprentice linemen has transferred to the Public Works Department where he will be working as a heavy equipment operator. He has a CDL license. We have a new police officer who we hired from Moultonborough, Jared Beaulieu and he was sworn in last Thursday. We also have a new call firefighter who also works as an EMT for Stewart's Ambulance.

Tomorrow evening is the Scenic Roads Workshop from 4:00 PM to 6:00 PM in the Great Hall.

Questions from the Press

None

Public Input

Limited to 3 Minutes per resident, not to exceed 15 minutes in total

Josephine Amatucci addressed the Board.

She stated the following:

I want to know why Public Input has been changed to the end of the meeting. Why did you people make us listen to all this and the other attendants don't? Why can't we have Public Input right after the beginning? Why do we have to listen to what everyone else is saying? They can just say what they have to say and then they just leave. She yelled answer me why. Ms. Amatucci stated are you ready for me and Public Input. She stated my name is Josephine Amatucci and I have one page. Now, I have good news. I have a case before the Federal Government and they have allowed me a jury trial for all the injuries our Town Officials have caused me by defaming my name in the newspaper and at the Selectmen Meetings. They lied to the Public telling them that my lawsuits cost the Town people more than \$30,000.00 of the taxpayers' money for filing my four lawsuits. Ms. Amatucci stated the Federal Government, however, agreed that my four lawsuits were for damages and it is the Town's insurance company, Primex who pays for lawsuits for damages not the taxpayers so I am being allowed a jury trial for damages. She stated she is asking for \$500,000.00 which is even too little for damages against the former Police Chief Chase, the former Rob Houseman, and the former Officer O'Brien and the Town Officials. She stated she got rid of these people and this is for infliction of emotional distress for what they did to me, for all the lies they told the Public about me and for a defamation of my character, for my unlawful imprisonment, for the 4th Amendment malicious prosecution where the former Police Chief Chase unlawfully seized me in 2014 for speeding. She stated she was not speeding and they found me not guilty. The judge stated I was not speeding. Ms. Amatucci stated Police Chief Chase put her in jail and he maliciously prosecuted me. She stated for the crimes all of you have committed against me when you defamed my character to the Public by accusing me of lawsuits that cost the Town taxpayers \$29,000.00. She stated the truth is that four, only four lawsuits and it is the Town's insurance carrier that pays for lawsuits. This is called a defamation of character when you all conspired together to issue a no trespass order that I could not enter the Town Hall or the Police Station against me without first giving me a right to a hearing which is required under the due process law of the 14th Amendment where I could have easily proven that I did not cause a disturbance in the Town Hall. When you all conspired and set me up in a pursuit to unlawfully seize me before I got to the Sheriff's office where I was going to lodge a complaint against Chief Chase. Chief Chase threatened me and assaulted me in the police station for accusing the criminal

Officer Dean Rondeau. Ms. Amatucci yelled loudly and pointed her finger at Chief Rondeau. She yelled at him saying you are getting out of this Town.

Chairman Freudenberg stated Ms. Amatucci you are out of order and your time is over by thirty seconds already.

She yelled this is to readdress my grievances. She stated I have one more statement.

Chairman Freudenberg stated you will refer to him as Chief and me as Chairman.

She screamed he is getting out and I guarantee it.

Chairman Freudenberg stated you are out of order.

Ms. Amatucci yelled no I am addressing my grievances. It is my first amendment rights.

Chairman Freudenberg stated you are out of order and your time has expired so I am asking you to sit down.

Ms. Amatucci continued yelling over Chairman Freudenberg.
