**D. Approval: Request to Expend Capital Reserve Funds Highway & Solid Waste Vehicle Equipment \$106,175 for installation and purchase of new bailer at Solid Waste**

Mr. Ford addressed the Board and thanked to the voters for supporting the town. He stated that this is to install and purchase a new bailer that has failed. This went out to bid, but in this case the highest bidder would be the best option.

Chairman Murray questioned if the fund has been replenished since the purchase of the truck and questioned if the next truck purchase is 2024?

Mr. Ford replied yes, the special purchase of the truck they just received has changed the scheduled for 2024. He state hopefully by then the cost of trucks and availability will be better.

Mr. Harriman stated he supports the use of Atlantic Recycling they have excellent quality service.

Mr. Deshaies questioned the life expectancy.

Mr. Ford replied 20 years.

**It was moved by the Wolfeboro Board of Selectmen to authorize the Request to Expend Capital Reserve Funds Highway & Solid Waste Vehicle Equipment \$106,175 for installation and purchase of new bailer at Solid Waste. Members voted, being none opposed, the motion passed.**

#### **E. ARPA Funding/ Bid Process-Public Works**

Mr. Pineo introduced the topic with regards to the procurement policy and the inability to get equipment and complete projects in a timely fashion. He stated they are looking to waive the procurement policy based on working relationships with contractors. He stated the ARPA committee consisting of himself, the Finance Director, the Public Works Director, and a Selectmen representative (currently Brad Harriman) is in support of implementing a new section IV: F of the competitive procurement process to all for "best overall value".

Mr. Ford addressed the Board to explain they have really tried to use more local contractors for design build projects which saves money and allows projects to get done in a more timely fashion.

Mr. Pineo stated they will commit to providing quarterly updates to the Board.

Chairman Murray stated she would like to know the schedule of when those reports will be provided.

**It was moved by Luke Freudenberg and seconded by Brian Deshaies for the Wolfeboro Board of Selectmen to authorize the Town's ARPA sub-committee to determine the "best overall value" in the interest of securing, equipment, materials and contractors with a proven track record so that projects are able to move forward in a timely and cost effective manner to include quarterly capital project updates to keep the Board of Selectmen and taxpayers updated on progress.**

#### **F. Approval: 2022 Seasonal Road Posting-Public Works**

Dave Ford addressed the Board to state that it is the time of year when they have to post the roads. Exceptions are made for oil delivery vehicles and school buses. He stated anyone who needs to pass on the roads should contact public works so they can work with them to the best time of day to travel the roads.

Chairman Murray thanked his staff for trying to make some repairs up on Pleasant Valley Road it seems to be in tough shape.

Mr. Ford agreed, they are discussing solution to that road it has a lot of damage.

Mr. Deshaies questioned if speed bumps could be used to slow traffic in the area of Carry Beach.

Mr. Ford agreed that traffic calming is a problem, speed bumps are not recommended.

**It was moved by Luke Freudenberg and seconded by Brian Deshaies for the Wolfeboro Board of Selectmen to implement the 10 ton weight limit on town roads effective March 10th, 2022 until lifted by the Public Works Department .Members voted, being none opposed, the motion passed.**

#### **G. Discussion: Propose Police Station project update- Wolfeboro Police**

Police Chief Dean Rondeau addressed the Board to review the propose plans for a new Police Station on North Main Street.

##### ***DISCUSSION:***

Chairman Murray questioned if the shrubbery/trees is existing or plant new as the growth of new will take a while.

Chief Rondeau replied these will be planted.

Mr. Deshaies questioned if there are restrooms in the booking area.

Chief Rondeau replied yes.

Chairman Murray questioned if the holding cells are for overnight.

Chief Rondeau replied no, they will not have overnight they take them to the jail for that. This would be to hold multiple arrests.

Chairman Murray questioned the need for bunk rooms.

Chief Rondeau replied they are a small agency with 14 fulltime officers and 2 part time officers, there are times where multiple officers could be out and or inclement weather.

Chairman Murray questioned the estimated cost of the project.

Chief Rondeau replied it is in the range of \$6.1/6.2 million in today's dollars. He stated it out at the cost estimator at this time waiting that information.

Mr. Pineo stated that there are some adjustments that have made but no new price points have been provided as this date.

Mr. Senecal questioned the total square footage.

Mr. Pineo replied 13,560 square feet.

Mr. Deshaies questioned the square footage they have now.

Chief Rondeau replied he does not have that with him, but can provided it. He guesses it is probably half of that now. He stated the Public Safety Building is a good building, but it needs work and in order to do that they need to move out.

Mr. Deshaies questioned how long they have been there.

Chief Rondeau replied since about 1974, 50 years. He stated when he started with the department in 1996, they only three cruisers.

Chairman Murray noted some of the concerns of the location is it would create noise, but you indicated they would not be there and more out on the road.

Chief Rondeau replied yes, they are on the road most of the time and only at the station for a short time.

Mr. Senecal stated the Planning Board did provide feedback that lighting would need to be dark sky compliant.

Chief Rondeau replied they do want to be good neighbors and will comply.

Mr. Deshaies stated there are some rural development grants they should look into specifically for Public Safety Buildings.

Chief Rondeau replied he is aware of it and it is on the list to apply for.

Chairman Murray stated it is important the public know that information. She noted they do have a Public Safety Building committee made up of a budget committee members, board of selectmen members and staff.

Mr. Freudenberg stated now that this has passed, they really need to provide more information as there has been a lot of discussion on the location and they should make sure the voters are informed.

Chairman Murray questioned if this proposal is on the home page.

Mr. Pineo replied it is not.

Chairman Murray suggested it get put up, it is good information.

Chief Rondeau agreed they should do better getting the information out and he will do that. He stated the Committee looked at several sites but determined this to be the best fitting site.

#### **H. Discussion: Request to offer Disc Golf at Abenaki Ski Area**

Mr. Pineo stated that Mr. Towne and Mr. Woodard met with both himself and the Parks and Recreation Director on an idea of a possible disc golf course at Abenaki. He stated they are looking to see if the town would entertain this idea. He stated that although sounds like a great idea, he has concerns about the burden to staff and the impact to the spray fields and if that property could even be used for that purpose.

Steve Towne addressed the Board and stated both he and Keith Woodard are avid disc golfers and travel quite a ways to do this activity and thought it would be great to have it here in Wolfeboro. They also have two other volunteers Peter Goodwin and Gary Brenton.

Mr. Deshaies noted there are a number of courses listed in NH.

Mr. Towne stated many of those courses are limited, currently they travel to Limerick Maine to play.

Mr. Senecal questioned how many acres they need for this.

Mr. Towne replied 15-20 acres for a small course and 25-30 acres for a large course. He noted they are flexible on the location.

Chairman Murray stated they are not a nonprofit, just some volunteers looking for a place.

Mr. Towne replied yes.

Chairman Murray stated that although the idea is great, she is not in favor of expanding the burden to the rec department at this time. She stated they are doing a study of the department reviewing the programs and the staffing. She stated she also has some concerns about the use of the spray fields for anything else but spraying.

Mr. Deshaies questioned how this would interact with the bike trails on this property.

Mr. Towne replied that it is common for them to co-mingle.

Mr. Deshaies stated he agrees with the concerns about the RIB site, the town also is dealing with the issue of bike trails being built out there without permission and this is the time to add to the area. He suggested approaching the Conservation Commission to see if they have any land that would be sufficient to use for this purpose.

Mr. Harriman agreed with the Board comments and also suggested reaching out to the Land Bank of Wolfeboro and Tuftonboro and the Lakes Region Conservation Trust who also may have land that could be used for this.

Mr. Towne questioned when the town would finish the study of the department.

Mr. Pineo replied the consultant is not able to do the study until late summer.

#### **J. Approval: Letter to oppose HB 249 Short Term Rentals**

Chairman Murray stated at the last meeting the Board discussed a draft letter to send to our Senators and House Representatives. He stated they seemed to be in agreement on not being in favor of restricting RSA 647:16. She stated they also have requested the Senator and Representative to attend the meeting on March 23<sup>rd</sup>.

Mr. Deshaies prefers to wait and hear from the representatives first.

Mr. Senecal agreed.

Mr. Harriman agreed with Chairman Murray this puts limits on the town and our representatives should know how we feel about this.

**It was moved by Brad Harriman and seconded by Dave Senecal to sign the letter of concern to Senator Bradley and Representatives MacDonald and Deshaies and invite them to the Board's meeting on March 23, 2022. Members voted, Brian Deshaies-opposed, and all others in favor, the motion passed.**

#### **K. Discussion: Results of 2022 Town Vote**

Mr. Pineo thanked the voters of Wolfeboro for approving all the financial warrant articles for the most part overwhelmingly. He stated there was 1,800 voters.

Chairman Murray stated 29% of the checklist was reported, which is high for the municipal election.

Mr. Senecal congratulated Brad Harriman on his re-election.

#### **7. Other Business**

None

#### **8. Committee Reports**

Mr. Harriman reported no meetings, just a long day at voting.

Chairman Murray reported two Pop Whalen meetings, a Library Trustees Meeting and Chamber quarterly meeting as well as voting day.

Mr. Deshaies reported he has been fielding some complaints from customers with regards to Breezeline Communications including one where they reportedly had no vaccinated employees that could enter a home for a repair but had an immunocompromised resident. He was able to find someone to remedy the solution and provide service to these residents. He stated he has a phone meeting with Breezeline communications tomorrow. He was also assisting a resident with an application to through the state for help with septic upgrade for low income residents.

Chairman Murray stated the town has not signed the new contract with Breezeline, those complaints should be given to Mr. Pineo to keep in the file for the Committee to review with Breezeline.

## **9. Town Manager's Report**

Mr. Pineo reported the town will be moving forward with the bonds for July and more information will be provided in April.

Mr. Harriman stated that Michele Chamberlin did a great job keeping the Board informed during Mr. Pineo's absence.
