**Charleigh Davis
Tax Map #201-43
125 Nary Shores Road, Lake Winnepesaukee
Expedited Minimum Impact**

The applicant proposes to replace the existing wharf structure with no change in size, location, dimension, configuration, or construction.

The Wolfeboro Conservation Commission noted no objection to the Charleigh Davis Expedited Minimum Impact application, Tax Map #201-43, as proposed.

**Natalie Purington Irrevocable Trust and Theodore Purington Jr. Revocable Trust
Tax Map #215-4
50 Whitegate Road/Lake Winnepesaukee
Standard Dredge & Fill**

The applicant proposes to construct a perched beach.

The Wolfeboro Conservation Commission noted no objection to the construction of a perched beach as indicated in the application for the Natalie Purington Irrevocable Trust and Theodore Purington Jr. Revocable Trust Standard Dredge & Fill application, Tax Map #215-4. However, the plan view indicates water access steps, but we do not see dimensions indicated, nor any mention of the steps in the application narrative. We note no beach dimensions in the narrative, nor the plan view, nor does it show the land side retaining wall anywhere but the horizontal view.

There being no further business before the Commission, the meeting was adjourned at 1:45 pm.

Respectfully Submitted,
Lee Ann Hendrickson
