

**TOWN OF WOLFEBORO
CONSERVATION COMMISSION
DREDGE & FILL MEETING
MINUTES
May 26, 2018**

Members Present: Dan Coons, Chairman, Lenore Clark, Vice-Chairman, Brian Gifford, Member.

Dan Coons opened the meeting at the Town Hall Annex Conference Room.

**Town of Wolfeboro Public Library
259 South Main Street
Special Use Permit
Tax Map #231-60**

The applicant proposes wetlands impacts as a result of the renovation and expansion of the Library.

Referencing the Wolfeboro Public Library Special Use Permit application, Tax Map #231-60, the Wolfeboro Conservation Commission did not review the application because the applicant did not submit an updated wetland delineation and supporting documentation.

**Robert King
Spruce Road
Lake Winnepesaukee
Standard Dredge & Fill
Tax Map #228-30**

The applicant proposes to construct new boathouse & dock (undeveloped lot) to support five boatslips.

Referencing the Robert King Standard Dredge & Fill application, Tax Map #228-30, the Wolfeboro Conservation Commission is not in favor of the proposal due to environmental impacts; noting that a boathouse is not the least impacting alternative for boat storage.

Respectfully Submitted,
Lee Ann Hendrickson
