

**TOWN OF WOLFEBORO
CONSERVATION COMMISSION
DREDGE & FILL MEETING
October 19, 2016**

Members Present: Lenore Clark, Vice-Chairman, Ed Roundy, Jeff Marchand, Members.

Vice-Chairman Clark opened the meeting at 9:32 AM at the Town Hall Annex Conference Room.

**Amy E. and Kathryn C. Livingston
91 Claflin Lane
Lake Winnepesaukee
Standard Dredge & Fill
Tax Map #250-2**

The applicant proposes stabilization of bank landward of the bottom along the shore of Lake Winnepesaukee.

The Wolfeboro Conservation Commission noted no objection to the Amy E. and Kathryn C. Livingston Standard Dredge & Fill application, Tax Map #250-2.

**Brian Donnelly
78 Canopache Road
Lake Winnepesaukee
Permit By Notification
Tax Map #251-17**

The applicant proposes necessary repairs to an existing rip/rap slope under previous approval (NH DES 2011-00017). Repairs include replacing fallen or dislodged rocks from the rip rap slope along 145' of shoreline.

The Wolfeboro Conservation Commission noted no objection to the Brian and Carol Donnelly Permit By Notification application, Tax Map #251-17.

**Bruce Flint
9 Umbrella Point
Lake Winnepesaukee
Minimum Impact Expedited
Tax Map #213-19**

The applicant proposes repair of winter damage to an existing breakwater, including restoring such to its previous condition.

Referencing the Bruce Flint Minimum Impact Expedited application, Tax Map #213-19, the Wolfeboro Conservation Commission noted the application as being incomplete. The application did not include photographs of the site and the plan submitted as part of the application is dated 2006 and depicts a request for beach sand replenishment and wall maintenance to an existing grandfathered perched beach.

Respectfully Submitted,
Lee Ann Keathley
