Chairman Clark appointed Nancy Byrd, Alternate, to sit in for Ed Roundy, Member.*

**Town of Wolfeboro
Carry Beach – 201 Forest Road
Lake Winnepesaukee
Minimum Impact Expedited
Tax Map #228-54**

The Town of Wolfeboro has identified potential water quality impacts around the Carry Beach area of Winter Harbor that may contribute to declining water sources of quality, such as cyanobacteria blooms. Improvements at Carry Beach are proposed to reduce stormwater impacts and meet facility needs. The existing gravel parking area will be redesigned with improved grading for drainage into tree filters to provide treatment and storage for stormwater runoff. Water quality swales are proposed along Forest Road. Beach improvements include a small retaining wall, landscaping timbers and native vegetation for stabilization of the lawn and beach areas to reduce erosion and sediment deposition into the lake.

The Wolfeboro Conservation Commission has no objection to the Town of Wolfeboro Minimum Impact Expedited application, Tax Map #228-54.

It was moved by Lenore Clark and seconded by Dan Coons to adjourn the June 8, 2020 Conservation Commission Dredge & Fill meeting. Roll call vote: Lenore Clark - yes, Brian Gifford - yes, Art Slocum - yes, Warren Muir – yes, Jeff Marchand – yes, Dan Coons – yes, Nancy Byrd - yes. The motion passed (7-0).

There being no further business before the Commission, the meeting adjourned at 4:24 pm.

Respectfully Submitted,
Lee Ann Hendrickson
