**Laurel Parrish/Lewis Simmons
184 Springfield Point Road
Special Use Permit
Tax Map #259-8**

The applicant proposes to redevelop the existing property within 30' of poorly drained wetland boundary; including razing existing single family dwelling and detached garage and replacing it with a new home and attached garage.

The Wolfeboro Conservation Commission has no objection to the Laurel Parrish/Lewis Simmons Special Use Permit application, Tax Map #259-8, as submitted. The Commission also notes that there are a few improvements like the septic system, the filtration system, and the slightly improved location that make this a desirable project.

Respectfully Submitted,
Lee Ann Hendrickson
