Tax Map #226-6**

The applicant has requested to repair an existing breakwater, attached cantilevered dockage and perched beach in-kind, dredge existing boat slips and 6' breakwater gap at the shore, install one seasonal boatlift and PWC lift after-the-fact and install one additional PWC lift.

***Referencing the Lynne Adamian Standard Dredge & Fill application, Tax Map #226-6, the Wolfeboro Conservation Commission noted that the applicant did not submit an existing conditions plan or proposed conditions plan. The Commission has no objection to the repair of the breakwater, cantilevered dock and perched beach. In addition, the Commission has no objection to an after-the-fact approval of the seasonal boatlift and PWC lift however, objects to further dredging for an additional PWC lift.***
