

**Special Events Committee of  
Economic Development Committee  
November 30, 2016 Minutes**

Present: Barbara Hughes, Christine Collin, Karen Peterson, Mark Kenney and Linda Murray

The Committee discussed possible substitutions for Hot Dog Bob timeslot since he is unavailable. Suggested were: put together information on available restaurants open, and then have separate flier for that. Also discussed was to check into BBQ guy that was at the Congregational Church this summer. Linda Murray was to look into this.

The Committee discussed the scavenger hunt and waiting on information from Mari Leather and Erika on that prior to finalizing fliers.

The Committee discussed how to have sponsors write a check, as Dave Peterson gave his sponsorship check. Linda Murray was to follow up about that.

There was discussion about who would handle the volunteers, and how many needed, and Christine Collin agreed to put together a volunteer list. We would all then feed her names for the various activities and time slots needing volunteers.

We discussed whether or not more prizes were needed for the Bingo other than what Christine Collins already had. It was decided we had enough.

Motion was made for Logo Selection for the flier by Linda Murray. Barbara Hughes seconded the motion. Logo number one was selected.

Donation jars were discussed and Christine Collins had a couple large ones.

A new flier would be sent with new logo, and final edit. Mark Kenney will continue emailing until we have final proof ready.

Christine Collins offered to help print fliers at the Parks and Rec building. Barbara Hughes offered to put the fliers at key Wolfeboro businesses, and the Chamber of Commerce.

Barbara Hughes will write press release once all information is complete for event.

Seven Suns was mentioned as a great solution to Hot Dog Bob. Barbara Hughes offered to follow up.

Other questions of pending activities and there times are face painting, currently slated at the Music and Dancing Slot from 8-10pm.

The next meeting was set for Wednesday December 14<sup>th</sup> at 8:00am.

Respectfully,

Barbara Hughes
