There will also be outreach to Tiltonboro about its cemetery commission structure and possible applicability to Wolfeboro.

The 2020 budget process is soon underway. It was agreed that Heritage Commission members need to conceptualize 1 or 2 projects, and the approximate associated cost, for discussion and possible inclusion in the upcoming budget process. These project ideas will be discussed by all members present at the September meeting.

There was discussion of the Railroad Station Committee and there was nothing to update on working on the 2020 charrette with Robin LeBlanc. Maggie will put thoughts to paper on the Railroad Station for the next Heritage Commission meeting on September 11, 2019.
