**Minutes June 8, 2022**  
**Location: Wolfeboro Historical Society Barn**

In Attendance: Chairman Maggie Stier, Vice Chair Suzanne Ryan, Anne Blodget, Mark Lush, David Bolduc, Andrea Dudley new member, first meeting)

Chairman Stier opened the meeting at 5:05 pm.

Minutes of May 11, 2022 were reviewed. S. Ryan moved to approve as written, David Bolduc seconded. All voted in favor.

The first item to be discussed was our response to the presentation made to us last month by Alana Albee of the Friends of the Libby Museum. Maggie read a draft of a letter to the Board of Selectmen endorsing the Friends current efforts, urging the BOS to support the current plans, noting the building is on the National Register, and expressing our hope that all work will meet the Secretary of the Interior's Standards for the Treatment of Historic Properties. It was endorsed by all those present with a single word change, and Maggie agreed to make that change and have it placed on letterhead and sent to the selectmen.

Maggie mentioned that she wants to wrap up the barn easement monitoring reports by the end of June. Still to be visited and written up are the Brown's Ridge Road Barn, Marchese Barn on Allen Road, and 1810 House which is being sold by the current owners.

Charrette follow-up was the main agenda item. We followed the bulleted list prepared by the Planning Board and created our own list based on items that are within our purview. Maggie will format this and share it with the Selectmen who will be appointing a group to follow up on the October 2021 charrette. Maggie has agreed to serve and asked for one more volunteer from the Heritage Commission. Suzanne Ryan agreed to be that person.

Finally, Andrea Dudley volunteered to join Dave Bolduc and Ronn Bronzetti on the subcommittee to develop a heritage recognition program, and all enthusiastically accepted her offer.

Meeting adjourned at 6:15 pm after which members browsed the exhibits in the Historical Society's barn. Many thanks to Mark Lush for hosting this meeting.

Next Meeting Date: July 13<sup>th</sup>, 2022 at Planning Department Conference Room

Respectfully submitted,

Maggie Stier
