

**Community Facilities Sub-Committee  
Wolfeboro Planning Board  
2018 Master Plan Revision**

**August 1, 2018**

**MINUTES**

**Location:** Great Hall, Town Hall

**Members Present:** Mike Hodder, Julie Jacobs, Justin Marbury, Linda Murray, John Thurston, Paul Whalen.

**Staff Present:** none

The meeting was opened at 8:30 AM and adjourned at 9:57AM.

The sub-committee discussed Murray's suggested possible changes with several of the chapter (CF) goals. Murray stated she felt the goals as presented to the sub-committee lacked future vision. Hodder stated he would edit the current version of the chapter statement to incorporate edits approved by the sub-committee and circulate through the Planner's office copies of the corrected draft to sub-committee members. Whalen agreed to draft a revised conclusion to the description of the public safety building and its associated goal (CF) to reflect siting concerns raised during the meeting. The meeting concluded with a discussion of the "mini-C.I.P." recommended in the draft version of the statement. Members agreed to continue discussion of this topic at the next meeting. Jacobs pointed out that discussion of the descriptions of the facilities is still outstanding and has been for the past two meetings.

The next meeting of the sub-committee will be held on Friday, August 10, 2018 from 8:00AM until 10:00AM in the conference room in the Planning Office at Town Hall.
