

Stacey Burns Memorial Scholarship

Stacey Keane Burns was a loving mother of 5 children, in Wolfeboro, NH. Her life came to a tragic end on May 10, 2009 when she was found brutally murdered in her bedroom. Her killer has never been arrested. Stacey worked as the school nurse at Carpenter School. Stacey had an altruistic spirit and a loving, kind heart. She touched the lives of many people, always willing to lend a hand.

Her bubbly, effervescent personality made those around her feel as if they had always been friends. She was loved and is missed by many.

The scholarship award is given to individuals who are pursuing a career in nursing, who not only show merit and need, but also to those who embody Stacey's giving spirit and kind heart.
