These actions are based on the recent Stay-At-Home order issued by Governor Chris Sununu and subsequent orders by the Wolfeboro Town Manager.

The Town is working proactively with applicants to collect requests to continue these applications in order to protect the integrity of the process, particularly with the public and abutter notices already having been distributed.

When the Planning Board and Zoning Board meetings resume, new public notices will be posted in the Granite State News, on the Town of Wolfeboro Web site, and sent to Abutters for those applications.

**Site Visits for both the Planning and Zoning Board will NOT take place noticed in the Granite State News and the abutter notices, but will be continued to a later date.**

For more information please contact the Director of Planning and Development at 603-569-5970 or [planningdirector@wolfeboronh.us](mailto:planningdirector@wolfeboronh.us).

Thank you in advance for your patience and understanding as we navigate our traditional public processes in new ways. The public's health and safety is the Town's highest priority and the Boards are hopeful that these measures will ensure protection of that.
