**Old Business:**

DASH unit update – Status:

- (a.) Need to replace or fix: trailer right tail light (Lanes End?), night light bulb on canopy, carpeted bumper on trailer by winch (Marc Martin volunteered to replace), need new tray brushes (driveway sealing brushes work that fit tray ~18”) to gather milfoil, need a new milfoil fragment net (fishing net w/long handle has been purchased by Ken).
- (b.) Boot cover for boat top, pole clamp, \$60 for gas, compass was replaced by John Jude (Aqualogic owner) last December.
- (d.) Missing air regulator promised to be replaced by John Jude...but no contact with John since December 2017.
- (e.) One air regulator and one air hose at Dive Winnepesaukee.

**New Business:**

- (a.) Arrangement for air testing (CO concentration) with Lawson Group in Concord, NH done. Need to set date for testing.
- (b.) Need to replace banjo quick release connections on new hose and get DASH ready for air testing in late May?

**Other Business:**

- (a.) Dave Owen’s last meeting!
