

*Town of
Wolfeboro*

Town records indicate you have the following parcels that are partially or fully assessed in forest land current use category. To assist the Selectmen in determining where the current use forest land assessment range each particular parcel should be assessed, please circle your best estimate of the "grade", "location" and "site quality" for each parcel in the grid below. Also, please attach a copy of a topographical map and/or soils map with the outline of your parcel(s) indicated on the maps.

Factors affecting "grade", "location" and "site quality" are specified in current use rule CUB 304.03 as follows:

Grade:

- (a) Steep slopes;
- (b) The presence of boulders and rock outcrops;
- (c) Ravines;
- (d) Wetland or bodies of water; and

Location:

- (a) Legal restrictions to access;
- (b) Abutting a maintained public highway; or
- (c) Any other characteristics affecting accessibility

- (a) The quality of the soil;
- (b) The climate and elevation;
- (c) Physical geography; and
- (d) Any other factors that would affect the management of the land

Site Quality:

Parcel Location & Number Of Acres		Characteristics of Land
