

**SOLID WASTE PROCESSING  
2020 - 2023**

(Approximate Annual Averages)

Trash & Garbage	1970 Tons
Construction/Demolition Debris	906 Tons
Recyclable (income producing)	1307 Tons
Yard Waste	250 Tons
Electronics	25 Tons

Approximate Annual Solid Waste Volume 4448 Tons

Approximate annual solid waste  
volume hauled to disposal facilities 2876 Tons

**Recycle Rate 65 %**

Wolfeboro has a 5-year Solid Waste hauling and tipping  
contract (thru 31 Dec 2025) which includes:  
SW hauling and tipping fees are increasing every  
year.

**The costs and income are based on 4-year  
ave.**

Annual hauling costs (approx.): \$114,811  
Annual tipping costs (approx.): \$266,202  
Annual tipping & recyclable income (approx.): \$141,591

**THE FOUR R's OF SOLID WASTE**

**Reduce.** Buy only what you need and use up whatever  
you buy. Look for items with a minimum amount of  
packaging.

**Repair.** Fix items that are broken rather than purchase  
new ones.

**Reuse.** Look for reusable items rather than disposable  
ones. If you can no longer use something, find someone  
else who can, through donations, garage sales, classified  
ads, or resale shops.

**Recycle.** Create new items out of unwanted ones.

**CLOSE THE LOOP  
BUY RECYCLED PRODUCTS**

These Solid Waste facilities are open only to  
Wolfeboro residents with current permits.  
Permit stickers are available at the Town Offices as well  
as the Solid Waste Facility.  
Temporary contractor permits are available at the  
Public Works office; \$20.00 per permit
