Opening Round

Accept [Minutes, 11-29-2017](#)

Master Plan Kick-off, January 23, 2018, 6:30 at Great Hall in Town Hall; 10 guideline for priority of the town. Paul will be working on the Infrastructure chapter as well as the Energy chapter. January 23rd will be a public meeting to get input and for the public to get information. People will be able to sign up to help. Wrap Up is intended by the end of 2018. Meetings will be formal with minutes and advertised well in advance. Paul will be meeting with Barry and Dave Ford. Paul will report back.

- review timeline for writing the chapter
- Additional remarks

Reports

- Power Outage debrief (Jim Ladd)
- Energy Usage statistics (Jeff Ouellette)
- Current Energy Contract

(Reports not available at this time.)

Other

Suggestion: Explore how does energy come into play for architectural design and how might the town promote energy focused designs?

Next meeting: January 24, 2018

Agenda item: What is the library's energy plan?

For review: [Community Energy Plan, prepared for Town of Wolfeboro, June, 2012](#)
